# Happy Rooms

*Bringing joy to life*

This September we are inviting schools to step into a world of pure joy, endless creativity and play at Happy Rooms - a large scale immersive experience that is unique to Teesside.

Your visit will take you through 12 artist-designed rooms that transport you into a vibrant playground that explore what it means to be and feel happy!

Enjoy surprises at every turn: dance under the glow of a giant mirrorball, relax beneath the clouds, celebrate with a confetti fanfare, and play with every colour of the rainbow!

Choose from a self guided visit or facilitated workshop option - both include an educational resource pack covering Happy Rooms themes and links to national curriculum.

Happy Rooms is a temporary attraction available for school visits between 2nd -19th September Monday - Thursday. Book early to avoid disappointment!
