

The Happy Space

by *stellar creates*

The Happy Space Inflatable Venue

Step inside Happy Space - a joyful pop-up inflatable venue designed to bring people together and add colour, creativity and fun to your event!

Happy Space's bold, eye-catching exterior and sunshine-yellow interior create a welcoming feature at festivals, community gatherings and creative events.

Happy Space is fully kitted out with tables, benches, or chairs depending on what you need. Whether you're hosting craft workshops, storytelling sessions, creative talks, or family-friendly activities, Happy Space provides a playful and flexible environment to suit your needs. The venue comfortably fits around 20 people for workshops or up to 25 for seated sessions.

Happy Space Curated Programme

We can also offer Happy Space with a full programme of activity curated by us, specially designed to meet your requirements and target audience.

We provide the artists/facilitators, staff to manage the sessions and all materials - an easy way to enhance your event and engage your visitors!

Why Happy Space?

- Striking, colourful design to make your event stand out
- Furnished to suit your activity – from relaxed chats to engaging craft sessions
- Quick and easy to set up and take down – ideal for temporary use
- A welcoming, joyful atmosphere where creativity can thrive

Happy Space Inflatable Venue

“

We spent a day in the Happy Space Inflatable and enjoyed every minute! Such a great space for both young and old.

Betty, Redcar
